Do you want to improve your local area or get more involved in your community?

Are you already involved in a voluntary or community group or want to get involved?

Are you worried that you don't have the skills or confidence to take part?

Then don't miss out on FREE training

What is the 'On a Learning Curve' training programme?

The programme has been developed to support groups and individuals in becoming more active in their local community. This is by offering a range of training that is designed to build confidence and to enhance existing skills.

Training is **FREE** and informal and is available to people of all ages and expertise.

What type of training is available?

The programme includes a range of training that can be given over a couple of hours or sometimes longer dependent on the subject.

Training subjects have included:

- Basic computer skills
- Using e-mail and the internet
- Website design using front page
- Introduction to Excel
- Introduction to Access
- Basic First Aid
- Volunteering
- Digital Photography
- Running Effective Meetings
- Committee Roles and Responsibilities
- Chairing, minute taking etc
- Funding
- Organising events and much more.....

Do you have an idea for a training course?

If so, tell us about it and we may be able to include it in our next training programme or provide it direct to your group.
